

MEADOWBROOK DRESS CODE - MEMBERS AND GUESTS

GENERAL

The dress code of the Club provides for appropriate neat, tailored attire required in various areas of the Clubhouse and on the Golf Course, as would be expected in a family-friendly private golf club environment, and in keeping with traditions of the game.

Standards of dress apply at all times for all members and their guests. Athletic or work-out wear is not permitted, with the exception in the parking lot when people are arriving or leaving the property. The dress code may be relaxed for young children.

If inappropriate attire is observed contrary to the dress code, depending on the severity, the person(s) may be asked politely by staff to either change their attire, purchase appropriate clothing at the Golf Shop, or leave the property and return after changing.

SHIRTS

Men:

- Suitable golf shirts should have sleeves, with a collar, blade collar, mock or turtleneck.
- Golf shirts may be worn outside of slacks or shorts only if designed as such, are fully banded at the bottom, and of reasonable length.
